

FESP Complaints Procedure

Furness Education and Skills Partnership (FESP) aims to provide high quality services which meet your needs. We believe we achieve this most of the time: if we are not getting it right please let us know.

In order to ensure our services remain at a high and improving standard, we have a procedure through which you can let us know of for any reason you are not satisfied with your dealings with the organisation.

If you are unhappy about any FESP's service, please speak to the relevant staff member, manager or Chair.

If you are unhappy with an individual in FESP sometimes it is best to tell him or her directly. If you feel this is difficult or inappropriate, then speak to the staff member's manager or the Chair.

Often, we will be able to give you a response straight away. When the matter is more complicated we will give you at least an initial response within five working days.

Making a written complaint

If you are not satisfied with our response or wish to raise the matter more formally, please write to the Chair.

All written complaints will be logged. You will receive a written acknowledgement within three working days.

The aim is to investigate your complaint properly and give you a reply within ten working days, setting out how the problem will be dealt with. If this is not possible, an interim response will be made informing you of the action taken to date or being considered.

If after we have responded you are not satisfied, please write to the Chair who will report the matter to the next meeting of the Trustees, which will decide on any further steps to resolve the situation.

Finally, please also let us know if you are happy with FESP's services.

This complaints policy is a practical means by which FESP can demonstrate its determination to effectively deal with complaints, in a fair and honest way, for all members of the community.

We are committed to reviewing our policy and good practice annually.
